

HOLIDAY TREE-CYCLING IS HERE!

Recology will collect bare holiday trees on regularly-scheduled recycling/green waste service days. Trees must either be cut to fit fully inside the customer's existing green debris cart (no charge),

or cut into 4-foot sections and left at the curb (\$5 collection fee). Please contact our customer service team at 541-482-1471 to schedule a pickup.

Scout Troop 112 will collect bare holiday trees at the curb **FREE** of charge on Saturday, January 11th. Donations help Scouts attend Summer camp. Trees are chipped by Ashland's Parks Department, and used as mulch in Ashland city parks.

Please have trees at the curb and visible from the street by 7AM
