YAMHILL AND POLK COUNTIES 2025

Customer Service and Recycling Guide

My Recology Service

TEMPORARY BOXES

Recology offers 3, 10, 20, and 30 cubic yard boxes. You will need an asbestos survey for construction or demolition of all structures built prior to 2004 before a box can be delivered to you. Contact customer service for more information and to order.

BULKY ITEM PICK UP

Recology collects mattresses, appliances, TVs, and more! Service charges and disposal fees apply. Contact customer service for more information.

COLLECTION TIME

Set your cart out by 6 AM on your collection day. Your actual service time may vary from week to week. Many cities require that carts are brought back in within 24 hours after collection to ensure public right of way. This includes sidewalks, driveways, and roadsides.

If your service did not happen as scheduled, email rwoinfo@recology.com or call our customer service team to discuss options. Fees may apply.

PAY BY PHONE

To pay your Recology statement by phone, please call 971.312.0178 and have your account number ready. To pay online, visit recology.com and click on the "MyRecology" tab.

MEDICAL WASTE

Medical waste, needles, and syringes cannot be placed in the regular garbage. Recology offers safe, efficient disposal of regulated medical waste using approved containers. Contact customer service for information and pricing.

BATTERY RECYCLING

Improperly discarded household batteries can spark and cause fires when not handled properly, creating dangerous situations for garbage and recycling truck drivers and processing facilities.

SAFE HANDLING: Please tape ends of all batteries, except alkaline, with clear tape. For coin/button cell batteries, wrap tape around the entire battery. If you have multiple hearing aid or other coin/button cell batteries, lay out a long strip of packing tape, place the batteries on the tape—be sure not to let them touch each other—and place another long strip of tape on top. You may drop household, auto, rechargeable batteries off for free at McMinnville Transfer Station.

E-WASTE

Oregon e-cycles is a free recycling program for computers, TVs, and monitors. Drop off items at McMinnville Transfer Station. Limit seven items per visit.

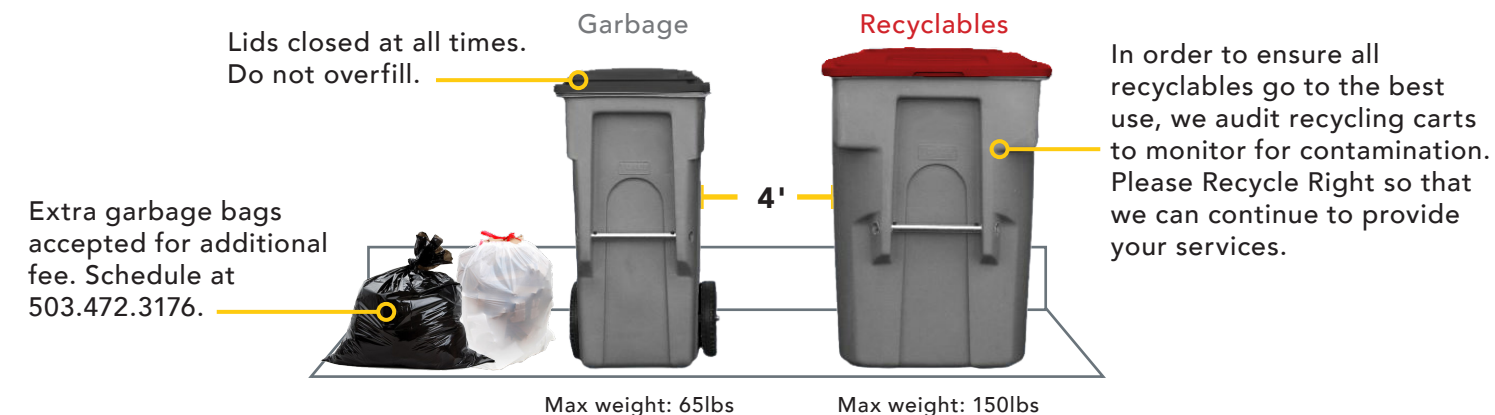

PAINT RECYCLING

All paint sold in Oregon includes a surcharge to fund a collection and recycling program. Visit paintcare.org for details.

Curbside Set-Out

Place carts curbside by 6 AM on your service day. Place 4ft apart and 4ft from all obstacles.

Side yard carts must be within 40' of curb, outside gates and fences, visible from the street. Other restrictions may apply.

Recyclables

FOLLOW 3 SIMPLE RULES:

- Empty any residual food or liquid
- Clean the product by quickly rinsing or scraping off debris
- Shake the container to remove moisture before tossing in your recycling carts
- Do not use plastic bags; paper bags or boxes are OK
- No items smaller than a tennis ball
